Inspired by craft cultures during my trips to Japan, India and Morocco, I create textile pieces which evolve over time using hand embroidery and hand knitted lace. I work with natural and reclaimed materials, incorporating laser cutting and engraving into my work.

Space required for Honfleur exhibition. New work to be made.

Two textile pieces to be hung side by side each measuring 500mm x 3mtrs.

Image 1

Detail of wall hanging. Laser cut leather pieces hand sewn together, hand knitted lace, pewter curtain rings

500mm x 3 mtrs.

Image 2

Detail of large textile piece. Hand dyed silk squares individually hand sewn onto fine habotai silk

600mm x 2.5mtrs
